Naturally in Salzkammergut.

Where do you find the greatest winter fun for families, adventurers and snow hares?

In the Salzkammergut - and in Dachstein West, naturally! On 160 kilometers of pistes and the 44 kilometer panoramic Dachstein Tour, you'll always have the legendary Dachstein in view: from Annaberg, St. Martin in Lammertal via Russbach and Gosau to Bad Goisern, Obertraun and Hallstatt.

Tennengau

When the landscape is covered in a thick white blanket, the Tennengau Lammertal offers a variety of opportunities to enjoy nature. Away from the perfect pistes, you can glide gently through the winter landscape on the cross-country ski trails with free cross-country skiing courses. Tobogganing on the Karkogel in Abtenau guarantees fun and fast descents, while guided snowshoe hikes allow you to experience nature at a slower pace on foot. In the midst of the magical mountain world of the Tennengau and the Dachstein West ski region, winter becomes an unforgettable experience.
